**Re: United States v. Mitchell, Crim. No. 08-023-SLR**

Dear Ms. Kousoulis:

Enclosed are copies of letters sent by your client to Judge Robinson. As detailed in my previous correspondence addressing similar filings by your client (D.I. 18, 21), the letters will not be docketed by the Clerk's Office nor forwarded to the United States Attorney's Office. Kindly advise your client, again, that the court will not in the future review any correspondence from him so long as he is represented by counsel, unless the correspondence is forwarded to the court through counsel.

Thank you for your cooperation.

Sincerely,  
  
Maria G. Alvino  
Attorney/Office Manager
